Jack Dempsey Is In Training Camp On Maumee Bay

TOLEDO, May 19.—Jack Dempsey is sleeping tonight in his training camp on the shores of Maumee Bay, which will be his quarters until his championship battle with Jess Willard here July 4. Light training will be started by the challenger tomorrow. The real, serious work, however, will not be begun until later in the week.

The deal for the camp, an exclusive club, was closed today. Members of some of the most prominent families in Toledo voluntarily surrendered their privileges there so that Dempsey could occupy it. A fourteen-room structure, with great lounging rooms, wide, screened-in porches, bathing beach and fishing makes the location ideal. An outdoor gymnasium will be constructed.

The Toledo ministerial union, which a week ago filed a protest with Mayor Schreiber against the fight, instructed its committee today to seek an injunction, if necessary, to prevent the contest. The committee was empowered to take whatever action deemed necessary, but none of its members would say when action would be taken.

TOLEDO, May 19.—By securing the services of an exclusive club on the shores of Maumee Bay, Jack Dempsey was able to start training for his con-

It consists of 14 rooms, large porches, balls, bathing beach and is considered ideal for Jack and his training crew. An outdoor gym will be constructed immediately where Dempsey will train daily until the contest.

Olympic Athlete
Made Major of
Coast Artillery

PORTLAND, Ore., May 19.—Martin W. Hawkins, former Oregon university and world's Olympic athlete, now a practicing attorney here, received word today of his promotion to be major in the coast artillery reserve.

He went to France with the 65th artillery as a lieutenant and was promoted to be captain for meritorious work in action, and later was recommended for a majority, but owing to the signing of the armistice his final promotion was delayed until after his discharge.
